Per month, per week, and per day columns give average rate that would need to see (Italy+Greece+others) for remaining part of 2015 to end up the corresponding total.

end date 12/31/15
 weeks left 11.71
 months left 2.69
 Days left 82.00

Only an average of 10000 per month likely through Italy, if that.
